Vengo Retail

Vengo operates a large portfolio of digital screens that enables buyers to execute with speed, scale and trust. Vengo's Retail Screens provides the context to connect brands with consumers at the point of purchase. These screens are located inside: grocery stores, convenience stores, and malls, with partners: Coinstar User Screens, NEN Topper screens, and Gabi Media check-out screens.

Vertical Impression

Vertical Impression offers a unique elevator display network with hundreds of screens. This platform enables you to access hard-to-reach urban audiences in a variety of locations such as residential and commercial buildings, hospitals, universities, and government establishments. Vertical Impressions screens deliver unskippable and unblockable impressions, driving engagement right where high-value urban consumers live, work, and spend their time.
